

## DATA SHEET

### EASY DRY

- Highly absorbent drying cloth
- High water absorption capacity
- Fast drying capacity
- Double-sided pile

Extremely absorbent microfiber cloth - dries wet surfaces up until the last drop.

### PRODUCT FEATURES

JP EASY DRY is an extremely practical drying cloth with strong absorbency rate. The double-sided loop structure enables high water absorption and easily achieves dry and streak-free surfaces within the household. The cloth can absorb six times its weight in water. Additionally, the cloth itself has been designed to dry quickly. It's optimal drying rate allows you to use the cloth again in no time after initial use.

### APPLICATION

Drag the cloth slowly and evenly over the surface you wish to dry.  
Wring out cloth well and hang to dry.

### EXAMPLES OF USE

Showers, bathtubs, tiles, and grout lines.  
Car exteriors and car windows.

### IMPORTANT

Always follow the manufacturer's cleaning recommendations for the items or surfaces you wish to clean.

Do not use on rough or sharp-edged surfaces as this may damage the fabric of the cloth.

### CLEANING INSTRUCTIONS

Follow the washing recommendations on the fibers washing label. Max. 60 °C [washing machine).

Detergent recommendation:

Do not use fabric softener or bleach containing chlorine. Do not tumble dry. Do not iron.

Notice:

Wash with similar colors.

Please do not tumble dry to prevent possible staining.

JOIN THE PARTY.

## **TIP**

Wash JP microfiber products in a WASHING BAG without adding other textiles. This is gentle on the fibers and prevents lint from sticking.

## **COMPOSITION**

80% polyester, 20% polyamide
