

DATA SHEET

DEEP CLEANING

Power Emulsion

This cleaning emulsion, with its beading effect, perfectly supports you in the household and in your hobbies. JP's DEEP CLEANING frees extractor hoods and ceramic hobs from dirt, grease, and lime deposits effectively and efficiently.

It provides triple action as it cleans, cares, and protects.

This cleaning emulsion was specially developed for usage on particularly sensitive surfaces.

DOSAGE & APPLICATION

Shake well before use.

Apply a small amount to the surface to be cleaned and rub in with a damp JP-microfiber cloth. Remove and polish afterwards with a fresh damp cloth and water.

Suitable for stainless steel, chrome, silver, metals, plastics, white garden furniture and window frames, shows, bathtubs, shelves in cabinets, glass, and much more.

IMPORTANT

Please note that when using on matte surfaces they may become shiny
