

DATA SHEET

CHAR'M X

The powerful oven and grill cleaner

- High-yield cleansing gel
- Cleans without scrubbing, scratching, and heating
- Dissolves stubborn grit in the grill and oven
- 100 % natural ingredients

CHAR'M X is a powerful solution that targets stubborn char and grit. No more scrubbing required!

CHAR'M X uses only natural ingredients. Instead of harsh or harmful chemicals, its unique combination of vegetable sugar surfactants and potash lye ensures effective and environmentally friendly cleaning. Additionally, this product leaves behind a pleasant, fresh scent that will leave you satisfied with your newly cleaned space.

Lastly, please be warned that CHAR'M X is a very powerful grease dissolver, so take care to wear appropriate skin protection when using this product. We recommend wearing gloves.

DOSAGE & APPLICATION

Please note, wear gloves for skin protection when using this product. Shake well before use.

Apply a thin coat and distribute evenly to the surface using the brush.

Depending on the degree of soiling, let it sit for 1-4 hours.

After letting it sit, completely remove the cleaner, as well as the dissolved dirt with a damp JP cloth and make sure you clean off the surface with plenty of water.

IMPORTANT

Do not heat the oven before use.

Not suitable for aluminum, copper, Teflon coatings, or cast iron.

Please wear appropriate skin protection when using this product as lye is corrosive.

SUITABLE FOR

baking sheets, fireplace windows, cooking grates, pots, and glass-ceramic cooktops

TIP

Cover the space you wish to clean with foil to avoid having the gel dry out

INGREDIENTS

AQUA, POTASSIUM HYDROXIDE, DECYL GLUCOSIDE, XANTHAN GUM, SODIUM COCO-SULFATE, PARFUM, SODIUM GLUCONATE, LIMONENE, LINALOOL, CITRONELLOL, GERANIOL
