

DATA SHEET

SANITARY SENSATION

the powerful bathroom cleaner derived from natural lactic acid

Effortlessly dissolves limestone, dirt, and soap residues on all sanitary installations.

SANITARY SENSATION powerfully cleans all water-resistant, washable, and acid-resistant surfaces.

- Due to the natural lactic acid, this cleaning agent concentrate powerfully dissolves limescale and soap residues
- With beading effect to protect against new soiling
- Hygienic cleanliness and radiant shine
- Fresh scent from essential mint oil
- Free from PEG, mineral oil, silicone and paraffin compounds

DOSAGE & APPLICATION

Mix with water at a ratio of 1:10 in the JP foam dispenser.

Pump the cleaner directly on a damp JP microfiber cloth or the surface to be cleaned. (Sanitary objects, tiles, fittings, glass and plastic surfaces, shower partitions, etc.).

For backsplashes: spray the joints/grout with water beforehand.

Let it sit for a maximum of 10 minutes and rinse off with plenty of water.

IMPORTANT

Wet cement joints before use.

Always follow the manufacturer's recommendations when cleaning and protecting your possessions.

NOT ON

Not suitable for acid-sensitive surfaces, such as marble, calcareous natural stone surfaces, brass, enamel, etc.

TIP

Mix in JP FOAMY or JP SPRAY BOTTLE

INGREDIENTS

AQUA, LACTIC ACID, ALCOHOL DENAT., GLYCERIN, COCO-GLUCOSIDE, DECYL GLUCOSIDE, MENTHA PIPERITA OIL
