

## DATA SHEET

### HEAVY PURPOSE

- A household necessity
- Universal cleaning cloth
- Double structured for light & heavy soiling
- Absorbent, dimensionally stable, and durable

High-performance cleaning cloth for light and heavy soiling - a household necessity!

### PRODUCT FEATURES

JPs HEAVY PURPOSE cloth is made from a high quality microfiber. The soft, untreated side is designed to be gentle on surfaces, while the laser-etched, sturdier side (with the lettering) is perfect for removing stubborn dirt and grit. Because of its duality, it can be used for various cleaning purposes around the household! HEAVY PURPOSE is specifically characterized by its absorbency and dimensional stability. The use of this long-lasting microfiber cloth saves you from using extra cleaning agents, as well as makes other positive contributions to the protection of the environment by limiting your need for disposable products.

### APPLICATION

Can be used dry or wet.

Chose the appropriate side depending on the cleaning requirements. Untreated side: For most all surfaces including sensitive surfaces. Laser-etched side: For all hard surfaces that are scratch resistant.

### IMPORTANT

Please always follow the manufacturer's cleaning recommendations for the items or surfaces you wish to clean

Use the cloth dry for all waxed or oiled surfaces

Do not use laser-etched side on scratch sensitive surfaces. Do not use the cloth to clean mineral casting.
